

INN^Ovative Transactive Renewable Energy Communities

INNO-TREC lays the foundations for a new generation of energy communities: efficient, inclusive, and sustainable.

Our initiatives will be tested and demonstrated in six pilots, across six countries:

INNO-TREC is co-funded by the European Union's Horizon Europe programme under agreement 101230578. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or European Climate, Infrastructure and Environment Executive Agency. Neither the European Union nor the granting authority can be held responsible for them.
